

During the Christmas School holidays, the Youth Centre will be open Thursday to Monday from 1 – 6 p.m. The Youth Centre will be closed on December 25&26, 2009, December 29&30, 2009 and January 1, 2010.

Fire Department News

A friendly reminder from your Fire Department: Please ensure your chimneys are cleaned regularly and replace the batteries in your smoke detectors to ensure they are working properly.

Turn on Frost Protection Devices

If you haven't done so yet - Frost protection devices (bleeders and heat traces) should now be activated again. Bleeders should only have a small trickle of water going through. The suggested flow rate is 1/8 of a gallon per minute for a properly

insulated waterline. Please note that the Village of Mayo Staff will repair bleeders that are leaking. If you have a problem with your bleeder, please call the Village Office.

Winter Safety

Winter is in full swing and with it snow, ice and slippery roads. Motorists are urged to drive carefully and according to the road and weather conditions. Be sure to check your vehicle lights, and wear reflective clothing or take a flash light if you are out walking or biking. It is important to see and be seen during our dark Yukon nights. Residents are urged to warn their children not to burrow any tunnels in the snow in the town ditches, as they could get buried when the grader plows snow.

Village of Mayo Office – holiday closure

The Village of Mayo Office will be closed from December 25, 2009 to January 4, 2010.

In case of emergency during this time, please call 996-2222 (for fire)

996-2938 (John Ewing) or cell phone 867-332-1212

996-2865 (William Hummel) or cell phone 867-332-1213

996-2451 (Ed Johnson) or cell phone 867-332-1211

996-2943 (Margrit Wozniak)

Merry Christmas and a happy and prosperous New Year!
